MID-YEAR PRESIDENT'S MESSAGE BY TED WITTKÉ SESSION #273

Dear FBINAA New Jersey Chapter Members,

As we reach the midpoint of 2025, I want to take a moment to reflect on the tremendous progress we have made as a chapter and to share some exciting updates with you all. It has been an incredibly productive and energizing first half of the year, and I could not be prouder of the work being done by your Executive Board behind the scenes to ensure that this year stands out as one of the best in our chapter's storied history.

In March, I had the honor of representing our chapter at the Chapter Leadership Summit in Quantico alongside 1st Vice President Joe Murphy and Technology Committee Chair Jeff Angermeyer. We had the opportunity to connect with FBINAA leaders from across the globe, exchanging best practices and learning how other chapters are innovating and growing. We returned inspired, and with fresh ideas to elevate our programming here in New Jersey.

Building on that momentum, in April we proudly co-hosted a statewide Leadership Seminar with FBI Newark. The event featured two dynamic speakers and welcomed over 100 law enforcement leaders from around New Jersey. The feedback was overwhelmingly positive, and we are already in discussions about making this a recurring partnership event in the years ahead.

May brought a new and exciting tradition to our chapter: our first-ever Family Day at the Races at Monmouth Park. We were blessed with perfect weather, fantastic food, and—most importantly—great company. Nearly 80 members, applicants, and family members came together in a relaxed, fun atmosphere that reminded us all how strong and close-knit our FBINAA family truly is.

Our Second Quarterly Meeting, held just recently, was another resounding success. With excellent weather and a casual setting that encouraged networking and camaraderie, we had an impressive turnout. A special thank-you goes to our partners at Off Duty Management, who not only helped sponsor the event but generously provided FBINAA drink tumblers to the first 125 registrants.

MID-YEAR PRESIDENT'S MESSAGE CONTINUED

BY TED WITTKE SESSION #273

In an effort to recognize and honor the long-standing commitment of our Life Members, I proposed—and the Executive Board unanimously approved—a new initiative that offers half-price registration fees to all active Life Members for any chapter-sponsored event going forward. This is a small but meaningful way to demonstrate our appreciation for the 108 Life Members who continue to contribute so much to our organization.

Looking ahead, we are full speed in planning what promises to be an exceptional Annual Training Conference at the Ocean Casino Resort in Atlantic City, October 5-7.

We have curated an unbelievable lineup of speakers and we are preparing two incredible evening networking events that you won't want to miss. Please mark your calendars and stay tuned as more details are released soon.

Thank you all for your continued engagement and support. It's been an honor to serve as your President, and I look forward to the months ahead as we continue to strengthen our chapter and the bonds that define the FBINAA brotherhood and sisterhood.

Stay safe and stay connected.

With appreciation,

Ted Wittke

President, FBINAA New Jersey Chapter

FBI Newark Leadership Seminar

The FBINAA NJ Chapter is co-hosted the Second Annual Leadership Seminar with the FBI Newark Field Office on Thursday, April 17, 2025. This seminar offered law enforcement professionals an opportunity to engage in discussions on leadership, strategy, and best practices. Distinguished speakers included Gregory Ehrie, Chief Security Officer of the Port Authority of New York and New Jersey, and Scott Goodale, Head Wrestling Coach at Rutgers University. The event also highlighted the FBI National Academy program and the National Academy Associates – NJ Chapter, providing valuable networking opportunities.

Chapter Leaders Travel To Quantico For Chapter Leadership Summit

March 15-19

Our New Jersey Chapter Leadership had a fantastic experience at the Chapter Leadership Summit, where they collaborated with peers from around the world to exchange best practices, strengthen our network, and explore new ways to enhance our association.

Representing our chapter were:

- President Ted Wittke
- 1st Vice President Joe Murphy
- Technology Committee Lead Jeff Angermeyer
- Past President John Devoe

A special highlight of the summit was Jeff Angermeyer's invitation to present on how he and the tech team successfully established the New Jersey Chapter's social media presence. His insights helped showcase the impact of leveraging technology to strengthen engagement within our association. We're excited to bring back fresh ideas and strengthened connections to continue making our chapter and the FBINAA community even stronger!

MESSAGE FROM THE FBI NEWARK FIELD OFFICE S.A.C.

July 2025

QUARTER #2

"I am honored that Director Patel has chosen me to lead the FBI Newark Field Office as the new Special Agent in Charge. I have been in the FBI for 20 years. I began my career in response to the events of September 11, 2001, and served on the New York Field Office Joint Terrorism Task Force as a case agent, supervisor, and Assistant Special Agent in Charge. I also served as an Assistant Legal Attaché in our London office for three years, acting as a liaison for our partners there. Most recently, I served as a Senior Executive at our FBI Headquarters Inspection Division. Each of these roles has instilled in me the absolute belief in the power of partnerships. The FBI cannot succeed in its mission to protect the American people and uphold the Constitution without our local, state, and federal law enforcement partners.

Congratulations to our recent NA Session 294 graduates! As the National Academy approaches its historic 90th year, I remain as committed as ever to ensuring that our most promising leaders are afforded the opportunity to attend National Academy. The network that the FBI National Academy Associates provides is intrinsic to our collective mission, strengthening law enforcement and community safety."

"The FBINAA NJ Chapter Training Conference consistently delivers top-tier content that speaks directly to everyone from frontline supervisors to executive-level leadership. That's why each year, I bring as many of my supervisors as our department can accommodate — it's an invaluable investment in our team's growth and leadership development."
— CHIEF ROBERT MULLIGAN, HAZLET TOWNSHIP POLICE DEPARTMENT

"What sets the FBINAA NJ Chapter Training Conference apart is the outstanding level of speakers they bring in year after year. From nationally recognized leaders to subject matter experts on today's most pressing issues, the content is always relevant, impactful, and immediately applicable to the real-world challenges we face in law enforcement."
— CHIEF DAN SMITH, DUNELLEN POLICE DEPARTMENT
